

# Down City Spiral

Being online  
allows  
you  
to  
keep in  
touch  
all  
the  
time

She can make  
the life of  
everybody  
easier at  
all  
times  
and  
keep in  
touch  
all  
the  
time

She can  
be  
in  
touch  
all  
the  
time  
and  
keep  
in  
touch  
all  
the  
time

Don't Stop  
Thinking  
About  
the  
Future

But...

That doesn't  
help run a  
multimillion  
dollar  
corporation.

Oh,  
and she's  
a bit of a  
pervert.

Making medical  
 students an  
 all-around  
 person  
 development?

[illegible]

I'm terribly sorry Miss Hellione!

I know the delays caused us to lose a few potential investors.

W-we've just been so busy with the new energy project...

Please allow me to-

Uwah!

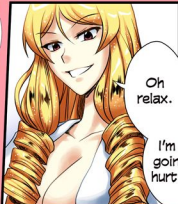

Hey  
wait!

W-what  
are you  
doing?!

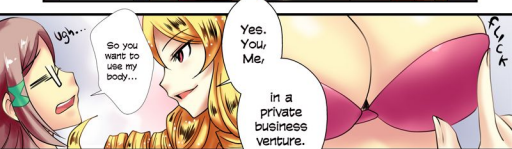

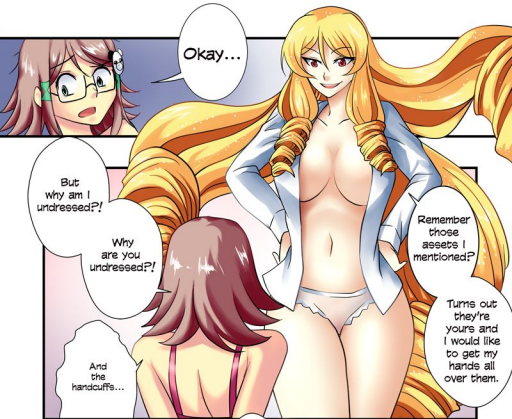

Oh  
relax.

I'm not  
going to  
hurt you.

I've  
brought  
you to my  
place to  
discuss  
your...  
"punishment".

Do we  
need to  
keep the  
cuffs on?

Ah true,  
I could  
just keep  
you tied  
up with my  
hair.

But...

Ah!

There's  
a certain  
charm to  
watching  
a girl  
struggle  
while bound  
by cold  
steel.

Alright,  
that's  
enough  
fun for  
you...

ghkl

Time to  
make me  
feel  
good.

Do I  
have  
to?

Well you  
don't really  
need that  
new system  
right?

groan...

Don't  
worry,  
I'm a  
great  
motivator!

Kya!

Now,  
down  
girl.

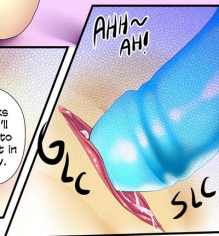

Let's see  
which one  
of these  
fits you  
best!

Mm!

What's  
that?

You can't  
wait for  
me to try  
all of these  
on you?

Mmph!

Oops!

It suddenly went all the way in!

Now,  
time for  
your after  
hours  
evaluation!

HUG

Let's hope that pretty face of yours isn't a quitter!

Mm-mmph!

Mmm,  
yes  
that's  
it.

Almost...

That was refreshing!

Wonder what we could do next...

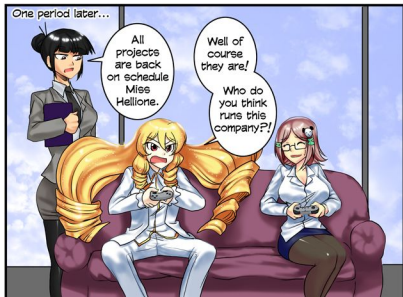

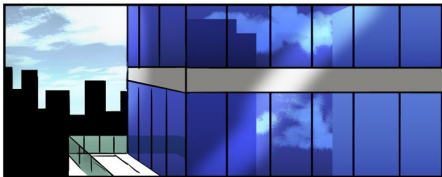

But I  
suppose that's  
enough fun  
for tonight!

Work  
tomorrow.  
Bed time!

eh?

Are you  
sure about  
this Seline?

DIRTY PAW

Working  
with someone  
who, you  
know...

Telisa  
dear,

You  
musn't  
underestimate  
the things  
one can hear  
while  
providing...  
pleasure.

Right...

Down City Spiral  
「Through the Foxhole」

Now  
then,

let's  
go on  
the prowl  
shall we?

The  
person  
you're  
looking for  
is a Kin.

They  
call her  
the  
Dancing  
Fox.

I hear there's a fox who takes good care of her clients.

She services only the wealthiest, most powerful in the city.

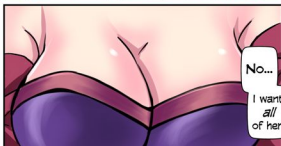

And the new girl in town wants a piece?

Sorry, you'll have to make a reservation.

A piece?

No...

I want *all* of her.

Beauty,  
money,  
and  
quite the  
strange  
ability.

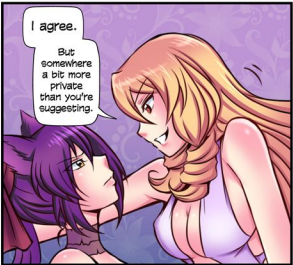

No wonder  
the name  
Hellione  
has  
everyone  
on edge.

We  
should find  
somewhere  
more  
private to-

I agree.

But  
somewhere  
a bit more  
private  
than you're  
suggesting.

Business  
after  
pleasure  
I say.

How  
forward  
thinking  
of you.

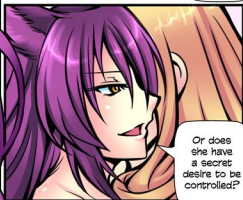

So  
then...

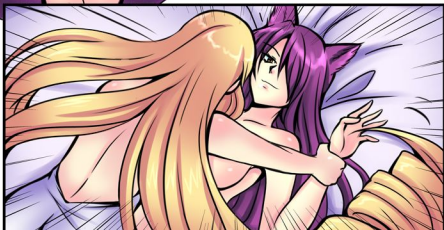

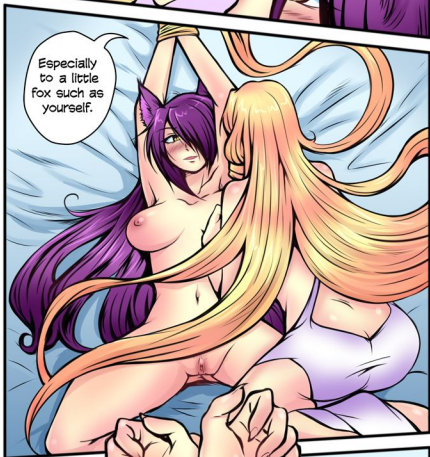

How  
does Miss  
Hellione  
like to  
play?

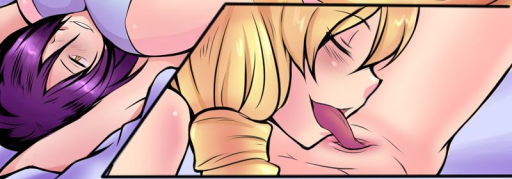

Is she the  
dominating  
queen  
everyone  
fears her  
to be?

Or does  
she have  
a secret  
desire to be  
controlled?

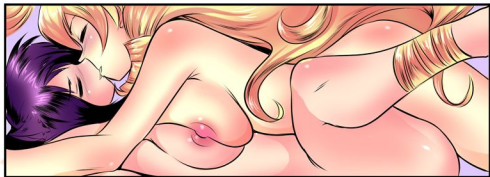

Excuse  
me~

Really?

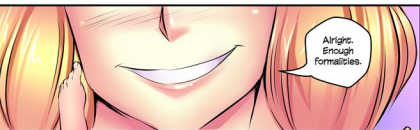

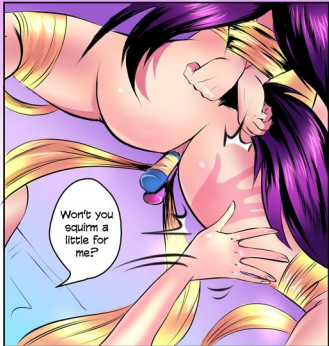

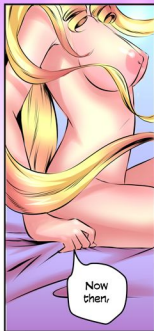

Alright,  
come  
here.

And  
clean  
that one  
up for  
me.

Well that  
was...  
interesting.

So, going  
to tell me  
what you  
wanted?

Like  
I said,  
I want  
all of it,  
including  
you.

But  
we can  
talk about  
all that  
later...

For now,  
how about  
just your  
name?

Aithne.

Aithne  
Sonorah.

Look yours are pretty big, but this girl gives you a run for your money!

I'm going to need a side by side comparison.

In person and privately, of course.

R-right...

They're a Leylari company right?

Greetings Miss Hellione.

Myndra Whispershade, president of Drawen Energies.

Next to me is our head of research, Chaeryll Risewind.

Nice to meet you.

Let's get this underway shall we?

Wonderful to have you both.

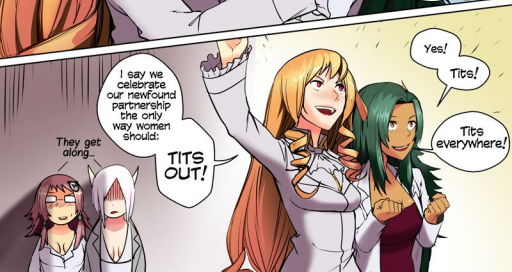

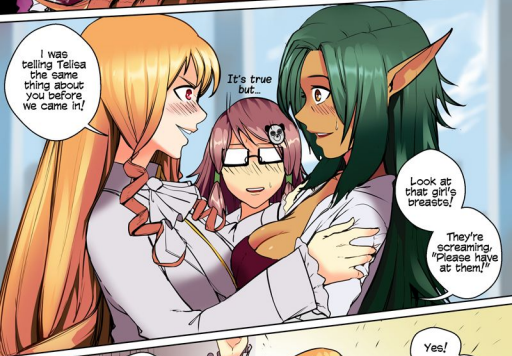

This is Telisa Ruth, lead manager of our R&D.

*Down City Spiral*  
*「Laying Leylari」*

Please...  
end me.

Welcome ladies to the top of Hellione Tower!

I would show you around but I'm sure you'll get to see much of it throughout the evening~

Sigh...

How does it always end up like this with you?

What are you talking about?

I saw you looking at Seline.

You probably want this more than I do.

That's not-

There's an etiquette to these things you know!

You seem nervous.

Don't be nervous. Have fun!

I'll try my best...

Oh,  
these are  
splendid!

So  
soft and  
ample.

Yours  
ain't bad  
either,  
sister!

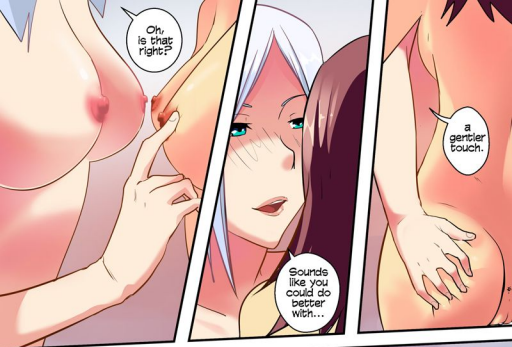

Well  
what are  
we waiting  
for?

Let's  
explore  
our mutual  
interests  
shall we?

Not  
going to  
join in?

I'm  
kinda  
new to...  
with  
women.

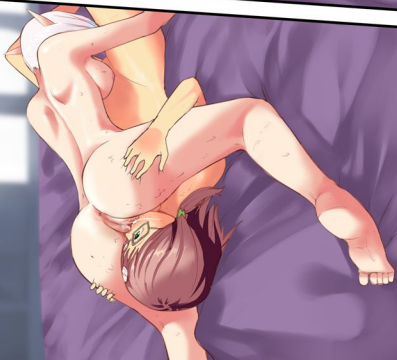

Alright,  
let's  
switch!

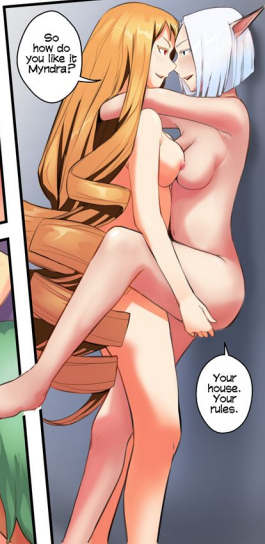

At  
long last,  
I shall  
climb these  
mountains!

huff

A  
minute  
please...

So  
how do  
you like it  
Myndra?

Your  
house.  
Your  
rules.

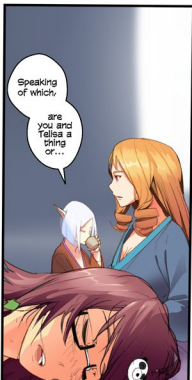

Thank you again for the lovely accommodations Seline.

I'll make sure Chaeryl doesn't make too much of a mess.

No need to stay so formal Myndra.

We're partners now.

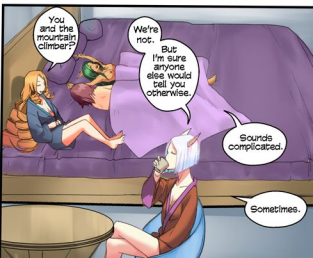

Speaking of which,

are you and Telisa a thing or...

Honestly, haven't had time to think about it.

Though can't say I'm not interested.

You and the mountain climber?

We're not.

But I'm sure anyone else would tell you otherwise.

Sounds complicated.

Sometimes.
